P L U G G I N G T A L E N T

A Venture Of Khaitan Infotech Pvt Ltd.

ABOUT US

When it comes to finding talent, organizations expect the hiring partners to plug the best talent in their system to achieve desired results.

We provide HR services to several clients located across the globe, including many Fortune 1000 and Global 2000 companies across **45 countries**.

Furthermore, we provide expertise in vertical specific solutions such as Manufacturing, Real Estate, Media, BFSI, FinTech, Retail, IT, Telecom, ITES and many more. Our diversified exposure and extensive global footprint strongly positions us as a leading Global HR outsourcing service provider and a partner of choice for our clients.

SERVICE PORTFOLIO

Permanent Staffing

We expedite assignments across levels including senior, mid and junior level of workforce in the segments we have developed expertise in the last decade. We are determined to assist our clients to find the right fit for their company since we believe that high potential and talented personnel with matched skills builds a successful team.

Leadership Hiring

Leaders empower organizations and usually make or break companies. Hiring leaders for a company is not just about matching the technical skill-sets or keywords that a search might require.

Our deep knowledge of various industries coupled with our experience has helped our clients assess and hire top executives at critical leadership roles.

RPO

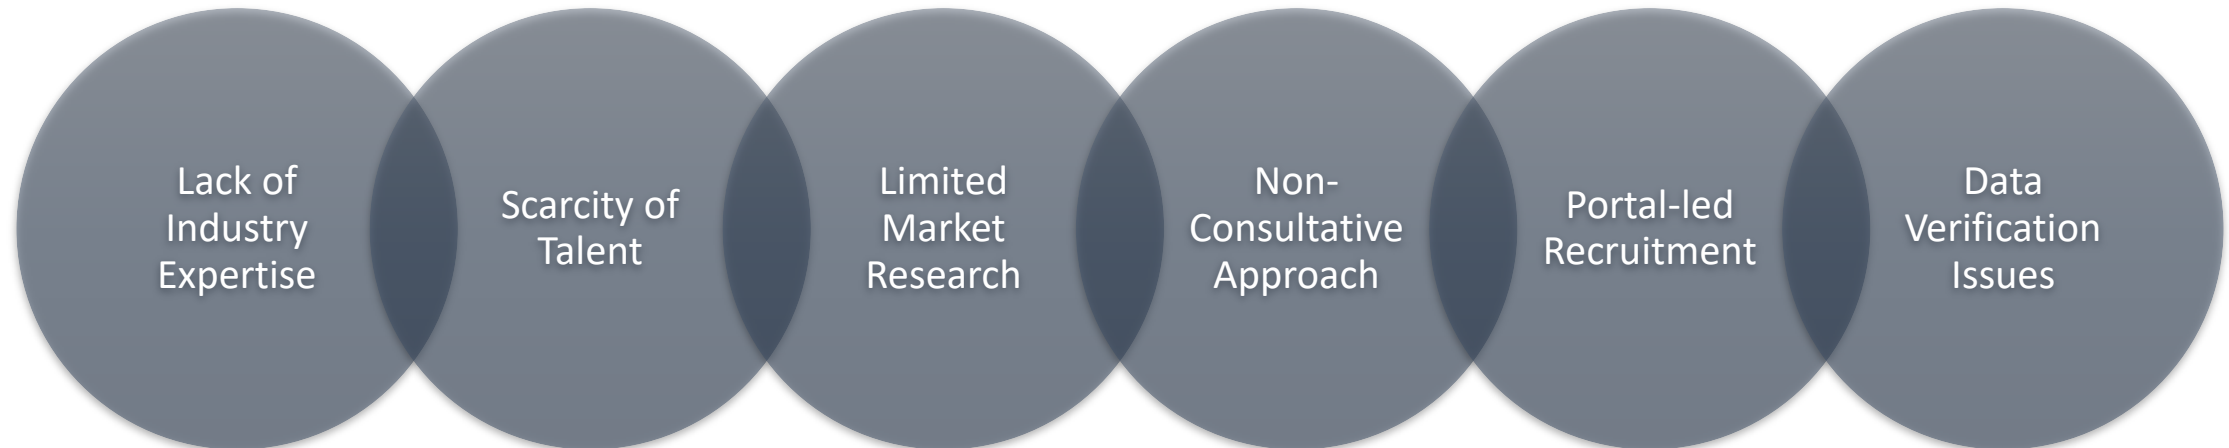

Leverage our experience of working across the globe and industries to streamline RPO solutions that contribute to improved productivity and performance. We offer Customizable, scalable and flexible RPO solutions that optimize candidate quality and improve business performance with significantly lower costs.

Moreover, we essentially function as an extension of your HR department through a dedicated team of consultants, effectively managing your recruitment lifestyle.
